Kiwanis International and Boy Scouts of America

BOY SCOUTS OF AMERICA®

Kiwanis International and Boy Scouts of America have a valuable and productive relationship on behalf of young men and their families that I hope will continue for many years to come.

Many common values are shared within the missions of Kiwanis and Boy Scouts of America. Both of our organizations believe in developing and preparing young people so they may grow in character, citizenship, responsibility and leadership to achieve their greatest potential. Kiwanis and Boy Scouts of America have worked with each other within the policies, procedures and regulations to further the mission and reach of our groups.

Kiwanis reaffirms its support of Boy Scouts of America as we continue to maintain and foster our longstanding relationship.

Therefore, I am pleased to support Boy Scouts of America and encourage others to become involved in participating in its activities.

Best regards,

Stan D. Soderstrom
Executive Director, Kiwanis International
